Now to buy same the quality and quantity e-juice from any reputable online or local retailers can cost you \$20-\$28. The difference is \$23!!!!!! When you vape a store bought liquid, do you ever say, "I wish they added one more drop of menthol or little more coffee flavor to this juice"? Well when you make your own, you don't have to wish that anymore, just add more or be more creative and mix a few recipes together and come up with a unique one that has your signature on it.
