Find Manual & Parts List | Briggs & Stratton

Each small engine manufactured and branded with the Briggs & Stratton Logo serve many types of equipment. The most popular being the lawn mower engine, which every year requires maintenance and sometimes repair.That sentiment rings true for the small engines featured in our snow blowers, pressure washers, portable generators and standby generators too.

Manuals | Briggs & Stratton

If you need help identifying your Briggs & Stratton engine, please visit our engine model number locator guide to find these numbers. Also, be aware that the numbers found on the Engine Emissions Label (bottom left) can be confused with the engine Model, Type and Code. Unfortunately, these numbers cannot be used to identify your engine.

How to find my engine model number? | Briggs & Stratton

WARNING: Always read the engine and equipment manual(s) before starting, operating, or servicing your engine or equipment to avoid personal injury or property damage. See an authorized dealer or contact Briggs & Stratton if you are unsure of any procedure or have additional questions. Find all Engine Safety Warnings
