Theoretical Perspectives on Culture |
Introduction to ...
Functionalists view society as a
system in which all parts work—or
function—together to create society
as a whole. In this way, societies need
culture to exist. Cultural norms

Where To Download Culture As The Core

function to support the fluid operation of society, and cultural values guide people in making choices. Just as members of a society work together to fulfill a society's needs, culture exists to meet its members' basic needs.
