Dear Daughter Quilt - REBECCA MAE DESIGNS
Little drives Dear Daughter with the string of surprises and buried secrets revealed as Janie unravels the mystery of her mother's past. It is a thriller much like Gillian Flynn's blockbuster Gone Girl --except instead of the East Coast literary angst of Flynn's protagonists stuck in Missouri, Little's Midwest visitor really does have L.A. 'glitter in her veins.'"

Dear Abby: Daughter's new kitten brings comfort, conflict ...
DEAR ABBY: Recently, I kindly and lovingly gave my daughter some feedback on how she berates her husband in front of my 8-year-old grandson. I told her I didn't want him to grow up thinking that's ...

A sensational debut thriller featuring an unforgettable heroine who just might have murdered her mother, from the author of *Pretty as a Picture* - Winner of the Strand Critics Award for Best First Novel - Nominated for the Barry and Macavity Awards for Best First Novel - Longlisted for the CWA John Creasy (New Blood) Dagger Award "Quick-witted and fast-paced, this debut mystery should be a hit with *Gone Girl* fans." --*People* magazine "This is an all-nighter . . . The best debut mystery I've read in a long time."--Tana French "A really gutsy, clever, energetic read, often unexpected, always entertaining. I loved Janie Jenkins's sassy voice and Elizabeth Little's too. In the world of crime novels, *Dear Daughter* is a breath of fresh air." --Kate Atkinson, New York Times bestselling author of *Life After Life Former "It Girl"* Janie Jenkins is sly, stunning, and fresh out of prison. Ten years ago, at the height of her fame, she was incarcerated for the murder of her mother, a high-society beauty known for her good works and rich husbands. Now, released on a technicality, Janie makes herself over and goes undercover, determined to chase down the one lead she has on her mother's killer. The only problem? Janie doesn't know if she's the killer she's looking for. Janie makes her way to an isolated South Dakota town whose mysteries rival her own. Enlisting the help of some new friends (and the town's wary police chief), Janie follows a series of clues—an old photograph, an abandoned house, a forgotten diary—and begins to piece together her mother's seemingly improbable connection to the town. When new evidence from Janie's own past surfaces, she's forced to consider the possibility that she and her mother were more alike than either of them would ever have imagined. As she digs tantalizingly deeper, and as suspicious locals begin to see through her increasingly fragile facade, Janie discovers that even the sleepiest towns hide sinister secrets—and will stop at nothing to guard them. On the run from the press, the police, and maybe even a murderer, Janie must choose between the anonymity she craves and the truth she so desperately needs. A gripping, electrifying debut novel with an ingenious and like-it-or-not sexy protagonist, *Dear Daughter* follows every twist and turn as Janie unravels the mystery of what happened the night her mother died—whatever the cost.

Rabbi Eliyohu Goldschmidt was a prominent yeshivah educator and a master of human nature, especially with regard to how it effects marriage, child rearing and home life. In this wise, loving, and provocative book, the author shares his years of experience, counsel, and Torah-saturated outlook with his *Dear Daughter*, and he invites every other dear daughter to read over her shoulder. He does it superbly. The author's palette is piled high with colorful and insightful anecdotes, and he uses them like an artist to illustrate his points. Many a marriage, many a child, many a family, and many a friendship will be enriched and made happier thanks to this book.

With *Dear Daughters*, Susie Davis creates a bridge between two groups of women—dear daughters and spiritual mamas. Dear daughters are young women in search of spiritual guidance and spiritual mamas are women just a little further down the road with age-old wisdom to share. Each group has valuable insight for the other and the hope is that the reader will invite someone to come alongside them, pore over the included letters together, and pass along wisdom and advice that will make both lives more beautiful, wherever they are in their God story. This book, ideal for a gift, is a casebound hardcover with ribbon.

The third book in the Mother-Daughter Book Club series by Heather Vogel Frederick follows the girls for a new year of humor and friendship.

Dear Daughter By: Megan Sawyer Dear Daughter is a cute little collection of notes from a loving mother to her daughter. Mothers and daughters have a unique and special bond. This book is a gentle reminder that it's the little things in life that are most important. Enjoy Dear Daughter with your mother or daughter.

Collects popular "Dear Leta" letters in a chronicle of the ups and downs of real-world motherhood that also documents the everyday miracles of a child's development.

NEW YORK TIMES BESTSELLER • Ali Wong's heartfelt and hilarious letters to her daughters (the two she put to work while they were still in utero) cover everything they need to know in life, like the unpleasant details of dating, how to be a working mom in a male-dominated profession, and how she trapped their dad. "Knife-sharp . . . a genuine pleasure."—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *Time* • *Variety* • *Chicago Tribune* • *Glamour* • New York In her hit Netflix comedy special *Baby Cobra*, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for *Dear Girls*: "Fierce, feminist, and packed with funny anecdotes."—*Entertainment Weekly* "[Wong] spins a volume whose pages simultaneously shock and satisfy. . . . *Dear Girls* is not so much a real-talk handbook as it is a myth-puncturing manifesto."—*Vogue* "[A] refreshing, hilarious, and honest account of making a career in a male-dominated field, dating, being a mom, growing up, and so much more. . . . Yes, this book is addressed to Wong's daughters, but every reader will find nuggets of wisdom and inspiration and, most important, something to laugh at."—*Bustle*
