What habits are common among good college writers? Good college writers are curious, engaged, reflective, and responsible. They read critically. They write with purpose. They tune into their audience. They collaborate and seek feedback. They know credible evidence makes them credible researchers. They revise. The Bedford Handbook, based on surveys with more than 1,000 first-year college students, fosters these habits and offers more support than ever

before for college reading and writing. New writing guides support students as they compose in an ever-wider variety of genres, including multimodal genres. New reading support encourages students to become active readers. Retooled research advice emphasizes inquiry and helps writers cite even the trickiest digital sources confidently and responsibly. Best of all, the Handbook remains a trusted companion for students because it is accessible, comprehensive, and authoritative. Instructors benefit, too: A substantially revised Instructor's Edition includes Nancy Sommers's personal mentoring—more than 100 new concrete tips for teaching with the handbook. Finally, integrated digital content is easily assignable and helps students practice and apply
