probably read that “ confidence is a choice, ” and while that ’ s true, it ’ s more accurate to say that confidence is a series of repeated choices to accept yourself. To choose pride over insecurity. And to fearlessly show up in the world as the truest expression of yourself. It took me a long time to overcome all the BS. It took me a longer time to develop a rock-solid sense of inner-peace and become intimate with my intuition. To achieve real confidence that lasted longer than a sugar rush. Because, girl, I know how rocky this road can be. I ’ m going to show you how to block out all the noise around you, and how to free yourself from the opinions and judgment of others. However, Rodial's founder Maria Hatzistefanis had been toiling for 18 years, building the company from scratch in her bedroom.

Now, the beauty boss sets out to demonstrate in this very accessible book that its success stemmed from sheer hard work, tireless efforts and a lot of patience. Fashion-loving Maria set out with a dream to build a beauty business and - despite not excelling at school, and being fired from her first job - she has achieved it. She did it by dreaming big, working hard, surrounding herself with the best, taking risks, creating buzz and building her own personal brand, which is
