Principles And Data Analytics

describes the ‘what’ while the plan describes the ‘how.’ Unfortunately, many people try to achieve the ‘how’ without first determining what the ‘what’ is. You should first determine ‘what’ you want to achieve, and then work out ‘how’ you will do it. In other words, your marketing strategy must come before your marketing plan.

*What is a marketing strategy? Definition and examples*

1) Business-to-consumer strategies : B2C market strategy is for those companies which market their products directly to consumers. These types of businesses can work online or in store. A business-to-consumer strategy is consumer driven. You must know your customers inside-out.

## *Marketing Strategy vs. Marketing Plan - Simple Strat*

Key elements of a successful marketing strategy. One of the key elements of a successful marketing strategy is the acknowledgement that your existing and potential customers will fall into particular groups or segments, characterised by their "needs". Identifying these groups and their needs through market research, and then addressing them more successfully than your competitors, should be the focus of your strategy.
