In the spirit of Life's Little Instruction Book, here is a collection of business aphorisms that is authoritative, highly readable, often humorous, and always wise.

"Unprecedented" is the adjective most often ascribed to everything about Donald Trump. Trump At Work is about the unprecedented impact that Donald Trump and his Presidency and style has had on attitudes and perceptions of leadership and management. The book brings a unique perspective about what has changed and what has not changed through humorous and true "bullets" and observations. Why do some leaders get fired for things that other leaders boast about? In spite of controversy, why do some initiatives still get implemented? Is implementation all that matters? Is empathy and credibility still critical to success? Why aren't there any instruction manuals about how to navigate the new workplace? These are not questions raised by just a few. These are questions everyone in the workplace is asking. Trump At Work explores these questions and many more. It reveals how the rules of the game have changed for everyone seeking success or at least, to survive. It's hard enough to keep up with leadership and management trends. Donald Trump is making it more difficult, not intentionally, not through the tweets he writes, but by how he is challenging the long existing norms. Who knew that tweeting would become an established way of communicating to an organization? Who knew that in spite of constant searing criticism, one can disregard it and continue to follow an agenda? Who knew that preaching to supporters and ignoring naysayers is a way to manage? Whether you appreciate Donald Trump or not, he has had an impact on the thinking about leadership and management and the author precisely explores that impact in this book.

Why does a CEO who has already made hundreds of millions of dollars continue to work? Why does a rock star who has made a bundle continue to tour? Why do retirees ' miss work as soon as they stop doing it? Why do we all wrestle with our life ' s work and talk about it incessantly? The thing about work is that we love it, we hate it, we need it, we miss it, we measure ourselves by it, we judge others by it—we are addicted to it. Work often defines us and fulfills us. Yet, today ' s rapidly changing workplace environment is stressful and confusing to deal with. In The Thing About Work, Richard A. Moran takes a ground-level perspective on what is happening at work and how to thrive in the new professional world. Through funny, prescriptive vignettes and short essays, Moran finds the " white space " in the company manual—those issues that you encounter every day at work but which are not covered in employee training. He uses hilarious and true stories from his own life and others ' to answer questions like, " Should you take your dog to work? " and " How late is late? " and " What is that foreign object growing in the refrigerator? " This very contemporary view of work will prove invaluable for the modern employee.

Confounded by the new workplace? You'll appreciate these aphorisms, tips, and observations from business expert Richard A. Moran. Based on the aphorisms from Never Confuse A Memo with Reality, Moran's bestseller from 1993, this edition has been updated to reflect our zany new protocols, habits, and devices. A great gift for the graduate in your life, for a friend embarking on a new job, or for anyone dumbfounded in an office—or, as Moran asks, "What's an office these days?" For professional endorsements of this book, please see the Kindle page.

Provides an inspirational and witty compilation of fundamental organizational rules, business aphorisms, and corporate wisdom. Reprint. 60,000 first printing. \$60,000 ad/promo. Tour.

They say opposites attract. They aren ' t kidding. When Casey meets Olivia—the actress she ' s driving around for two weeks—she figures it ' s going to be all business. Sure, Olivia ' s hot and has women throwing themselves at her feet, but Casey is only interested in making the money she needs before going back to Portland. London is full of painful memories, and anyway, perfectly put together celebrities are not really her thing. Olivia loves being " Susie. " her TV alter ego. She ' s sassy, sexy, and never short of admirers, but living her life in the public eye is taking its toll. When her new driver turns out to be tall, dark, and undeniably handsome, Olivia is intrigued. But Casey seems like she has something to hide, and the last thing Olivia needs is someone she can ' t trust.

A wry, insightful pocket guide to the realities of the contemporary corporate environment offers readers pithy, practical advice on work, career, home life, and much more. By the author of Never Confuse a Memo with Reality. Original. 75,000 first printing.

Organized around the personality systems framework, this text offers students a clear and engaging introduction to the study of personality. The second edition integrates cutting-edge research and provides a comprehensive road map toward understanding (1) what personality is; (2) what personality ' s major subsystems are by breaking down motivation, emotion, cognition, and self; (3) how personality ' s parts are organized; and (4) how personality develops and changes over time. New and Updated Features: Engaging case examples throughout each chapter bring concepts to life. Valuable study aids, including chapter-opening big picture questions, review questions, and glossary reinforce each chapter ' s main topics. A fresh design incorporates new figures and tables. A new learning package designed to enhance the experience of both instructors and students includes a test bank, a Respondus test bank, and a companion website. This book is accompanied by a learning package designed to enhance the experience of both instructors and students. Test Bank. For every chapter in the text, the Test Bank includes multiple choice questions in a variety of skill levels and organized by chapter topic. The Test Bank is available to adopters in Word, PDF or Respondus formats. Our Test Bank is most flexibly used in Respondus, test authoring software which is available in two forms. Check with your university to see if you have a site license to the full program. Respondus 4.0, which offers the option to upload your tests to any of the most popular course management systems such as Blackboard. If you don ' t have a Respondus license or do not care about having your tests in a course management system, you can use our test bank file in Respondus LE. The LE program is free and can be used to automate the process of creating tests in print format. • Visit the Respondus Test Bank Network to download the test bank for either Respondus 4.0 or Respondus LE. • If you prefer to use our Test Bank in Word or PDF, please Sign-In if you are a registered user, or Register then email us at textbooks@rowman.com. Companion Website. Accompanying the text is an open-access Companion Website designed to reinforce the main topics. For each chapter, flash cards, self-quizzes, and additional review resources help students master the information they learn in the classroom. Students can access the Companion Website from their computer or mobile device at textbooks.rowman.com/meyer2e.
