A dark, engrossing, blood-drenched tale of the familiar threats to female power/and one girl's journey to regain it. Five starred reviews greeted this powerful story from Elana K. Arnold, author of the Printz Honor winner Damsel. You are alone in the woods, seen only by the unblinking yellow moon. Your hands are empty. You are nearly naked. And the wolf is angry. Since her grandmother became her caretaker when she was four years old, Bisou Martel has lived a quiet life in a little house in Seattle. She's kept mostly to herself. She's been good. But then comes the night of homecoming, when she finds herself running for her life over roots and between trees, a fury of claws and teeth behind her. A wolf attacks. Bison fights back. A new moon rises. And with it, questions. About the blood in Bisou's past, and on her hands as she stumbles home. About broken boys and vicious wolves. About girls lost in the woods/frightened, but not alone.

From Malawian storyteller Ujile Chisala comes the revised and expanded edition of her debut book of poetry, soft magic is a collection of poetry and prose exploring the self, joy, blackness, gender, matters of the heart, the experience of Diaspora, spirituality, and above all, how we survive. soft magic is a shared healing journey.

Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, Incidents in the Life of a Slave Girl, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marly, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Gueno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

It's rare to discover a candid sports autobiography-- even rare when the author is one of the most recognizable athletes in the world. But in Shaq Talks Back, Shaquille O'Neal for the first time talks frankly about his childhood, his life, his rivalries, and his career, culminating in a dramatic, behind-the-scenes account of the Los Angeles Lakers' drive to the NBA Championship. At seven feet one inch tall and 330 pounds, Shaq has always faced outsized expectations, even as a child when he towered over other kids. Shaq Talks Back is the story of how potential became reality-- how someone expected to be a champion finally learned to become one. Beginning with his memory of crying on the court after the Lakers defeated the Indiana Pacers, Shaq takes us back to his younger days in Newark and Jersey City, New Jersey, then to Georgia and finally to Germany, where he began to harness some of his height and strength. From there, he recounts the remarkable progress of his basketball career, changing from a big but inexperienced teenager to a dominant college and professional player. Shaq talks about: * Playing at Louisiana State University for the unpredictable coach Dale Brown * Signing the biggest rookie contract ever with the Orlando Magic-- and going to the NBA Finals for the first time * What happened next: dissention, disappointment, and his decision to leave for Los Angeles * The dysfunctional Lakers who were never able to win the big games * Dealing with egos as he finds the right chemistry with Kobe Bryant, Phil Jackson, and new additions to the team * Rivalries with Alonzo Mourning, Patrick Ewing, Hakeem Olajuwon, David Robinson, and others * The trouble with free throws... * "Bling-bling" and women: the larger-than-life world of NBA players off the court * Inside the Lakers' comeback from the brink against Portland and the drive to the NBA championship Funny, insightful, opinionated, and unexpectedly moving, Shaq Talks Back is the true voice of the NBA's best player.

They may ride off into the sunset, but cowboys never go out of style. These manly men embody the fiercely independent, earthy alpha male and hero who isn't afraid to show the gentle, nurturing side of his complex nature when faced with a woman in need. Even when he's coated with dust from riding behind a herd of cattle or up to his knees in mud freeing a calf from a wallow, this stud still generates a lot of Cowboy Heat. Delilah Devlin's Cowboy Lust was a sensation, hitting the top ten of romance books and generating a river of praise. Award-winning Devlin is back on the ranch with stories of rugged romantics, rough riders, and rope wranglers sure to satisfy any reader who craves the idea of that gruff, romantic hero, a man of few words but many moves. Cowboy Heat sits tall in the saddle, winning hearts and spurring readers to new heights of happiness.

On the heels of the stunning success of the award-winning Brooklyn Noir, here comes the second volume of this groundbreaking series of original noir anthologies. The city of Chicago has spent much time and money over the last decade marketing itself as a tourist-friendly destination for the whole family. The stories in this anthology reclaim a Chicago where people struggle to survive and where, for many, crime is the only means for their survival - a Chicago once depicted by James Farrell and Nelson Algren.
