Josef Fritzl was a 73-year-old retired engineer in Austria. He seemed to be living a normal life with his wife, Rosemarie, and their family--though one daughter, Elisabeth, had decades earlier been "lost" to a religious cult. Throughout the years, three of Elisabeth's children mysteriously appeared on the Fritzls' doorstep; Josef and Rosemarie raised them as their own. But only Josef knew the truth about Elisabeth's disappearance... For twenty-seven years, Josef had imprisoned and molested Elisabeth in his man-made basement dungeon, complete with sound-proof paneling and code-protected electric locks. There, she would eventually give birth to a total of seven of Josef's children. One died in infancy--and the other three were raised alongside Elisabeth, never to see the light of day. Then, in 2008, one of Elisabeth's children became seriously ill, and was taken to the hospital. It was the first time the nineteen-year-old girl had ever gone outside--and soon, the truth about her background, her family's captivity, and Josef's unspeakable crimes would come to light. John Glatt's Secrets in the Cellar is the true story of a crime that shocked the world.

A loving father-- a missing daughter-- and the awful truth that lay hidden just below. The true story of the Austrian incest case that shocked the world.

The true crime story that made international headlines: Josef Fritzl held his daughter captive as a sex slave, and fathered seven children with her, creating a hidden family no one knew about--not even Fritzl's own wife.

"Lily?" My stomach dropped as a tall, dark-haired man stepped into view. Had he been hiding between the trees? "No. Sorry." Gulping, I took a step back. "I'm not Lily." He shook his head, a satisfied grin on his face. "No. You are Lily." "I'm Summer. You have the wrong person." You utter freak! I could hear my pulse crashing in my ears. How stupid to give him my real name. He continued to stare at me, smiling. It made me feel sick. "You are Lily," he repeated. Before I could blink, he threw his arms forward and grabbed me. I tried to shout, but he clasped his hand over my mouth, muffling my screams. My heart raced. I'm going to die. For months Summer is trapped in a cellar with the man who took her--and three other girls: Rose, Poppy, and Violet. His perfect, pure flowers. His family. But flowers can't survive long cut off from the sun, and time is running out...

Access Free Secrets In The Cellar

In the quiet Austrian town of Amstetten in the balmy spring of April 2008, a truly horrifying vision of hell was discovered by police in the cellar of a normal suburban home. On 28 August 1984, seemingly respectable family man Josef Fritzl had lured Elisabeth, the youngest of his seven children, into the cellar of their family home, where he then drugged and handcuffed her in a windowless dungeon he'd spent years constructing. For the next 24 years Josef held his daughter captive in unimaginable conditions and repeatedly raped her, fathering seven children. When the eldest captive child, Kerstin, was admitted to hospital, Josef's sickening web of incest and abuse was uncovered by the authorities. This is the full and utterly disturbing true story of what happened in those underground chambers of horror.

The perfect series for kids who loved THE LEMONADE WAR series and are ready for more mysteries! Edgar Award Nominee for Best Mystery! "With wit, cunning, snappy dialogue and superior math skills, The Red Blazer Girls represent the best of girl-detectives while still feeling relatable and real. Nancy Drew would be right at home with this group." -- Huffington Post's 15 Greatest Kid Detectives List It all began with The Scream. And ended with . . . well, if we told you that, it wouldn't be a mystery! But in between The Scream and The Very Surprising Ending, three friends find themselves on a scavenger hunt set up for a girl they never met, in search of a legendary ring reputed to grant wishes. Are these sleuths in school uniforms modern-day equivalents of Nancy, Harriet, or Scooby? Not really, they're just three nice girls who decide to help out a weird lady, and end up hiding under tables, tackling word puzzles and geometry equations, and searching rather moldy storage rooms for "the stuff that dreams are made of" (that's from an old detective movie). Oh, and there's A Boy, who complicates things. As boys often do. Intrigued? The Red Blazer Girls offers a fun, twisty adventure for those who love mystery, math (c'mon, admit it!), and a modest measure of mayhem. Michael Beil, a New York City high school English teacher and life-long mystery fan, delivers a middle-grade caper that's perfect for middle-grade readers who have finished THE LEMONADE WAR series and are ready for more advanced mysteries!

'I stood there for a moment, silently speaking to myself: Josefina, you will survive this. You are strong. You are a fighter. You adapt.' As a young mum-of-three, Josefina Rivera was determined to get her troubled life back on track. But then she met Gary Heidnik and the next four months became a living nightmare. Along with five women Josefina was held captive in a cellar where she was starved, beaten, and repeatedly raped to fulfil Heidnik's desire of creating a 'family' of ten children. Cellar Girl is the shocking but ultimately inspiring story of how one brave, young woman saved herself and others from a life worse than hell.

Once you enter the "Cellar Door" it will take you on a journey through love, despair, faith and the perplexing phenomenon attached to the number eleven. The author shares some of his secrets and invites you into his deepest experiences."Cellar Door" is truly a magnificent piece of work considering it is Eric Watts' first official poetry book. It is absolutely a must read for Laymen and poetry lovers alike. "Cellar Door" will keep you intrigued by the author's masterful use of mystery, haunting scenarios and the unpredictability of many of the poems. It is truly refreshing to read a piece of work that makes its path instead of following conventional wisdom as to what poetry should be.

A fable about the power of books and knowledge, "finely balanced between pathos and comedy," from one of Czechoslovakia's most popular authors (Los Angeles Times). A New York Times Notable Book Haňtá has been compacting trash for thirty-five years. Every evening, he rescues books from the jaws of his hydraulic press, carries them home, and fills his house with them. Haňtá may be an idiot, as his boss calls him, but he is an idiot with a difference—the ability to quote the Talmud, Hegel, and Lao-Tzu. In this "irresistibly eccentric romp," the author Milan Kundera has called "our very best writer today" celebrates the power and the indestructibility of the written word (The New York Times Book Review).
