 YouTube superstars The Sidemen have arrived in book (and audiobook!) form, and they're dishing the dirt on each other as well as the YouTube universe. There's nowhere to hide as the guys go in hard on their living habits, their football ability, and their dodgy clobber, while also talking Fifa, Vegas and superheroes.

The Sidemen Book - Sidemen Clothing
 Audio books. An audio book is a recording of a text read aloud, either word for word or abridged. They are a convenient alternative to traditional books and an important media for the visually impaired. Audio books have come a long way since the 1930s when the first full length recordings appeared for people with disabilities.

 I thought the book was very good. If you're a fan of the Sidemen then you'll love this book. The quality of the book was fantastic, the book it self was a good and interesting read. You learn a lot about the life of these Youtubers. Overall, I would recommend this book to anyone who is a fan of the Sidemen.

Top 10 Torrent Sites for Audiobooks 2019 - Epubor.com
 The free audio books at Spotify are not organized very well because Spotify is a music streaming service, not an audio book website—but there is a good handful of them available. If the link below doesn't have the audiobook you want, try doing a general search for audiobooks on Spotify.

Billions of you have watched their videos and millions of you have followed them on social media. So here we go: it's time to back up because YouTube superstars, The Sidemen, are finally here in book form and they're dishing the dirt on each other as well as the YouTube universe. There's nowhere to hide as KSI, Miniminter, Behzinga, Zerkaa,Vikkstar123, Wroetoshaw and Tobjizzle go in hard on their living habits, their football ability, and their dodgy clobber, while also talking Fifa, Vegas and superheroes. They'll also give you their grand house tour, letting you in on a few secrets, before showing you their hall of fame, as well as revealing some of their greatest shames. Along the way you'll learn how seven of the world's biggest YouTube stars started off with nothing more than a computer console, a PC and a bad haircut before joining forces to crush the internet. And they'll tell you just how they did it (because they're nice like that) with their ultimate guide to YouTube while also sharing their memories of recording their favourite videos as well as a typical day in the life of The Sidemen. You'll feel like you're with them every step of the way, smelling the 'sweet' aroma of the boys' favourite dishes in the kitchen, stamping your passport as you follow them on their trips around the world and kicking every ball as the boys gear up for the biggest football match of their lives. It's going to get personal. It's going to get intense, and JJ is going to have lots of tantrums, so take a moment to prepare yourself, because this is The Sidemen book you've been waiting for!

The legendary funk, soul, and jazz musician who played with James Brown moves from sideman to center stage in this loving tribute to a seminal but often overlooked force in American music. (Performing Arts)

YouTube stars Dan Howell and Phil Lester tell the humorous story of growing up, becoming YouTube stars, and give advice to their teen followers.

A collection of 20 original, unstinting essays by the young YouTube vlogger and creator of Not Cool shares intimate insights into his personal life, highlighting moments from his childhood, his rise on YouTube and his experiences as a filmmaker. Original.

"The true story of a group of boy resistance fighters in Denmark after the Nazi invasion"--

USA TODAY BESTSELLING BOOK! Mike Majlak was a seventeen-year-old from a loving, middle-class family in Milford, Connecticut, when he got caught up in the opioid epidemic that swept the nation. For close to a decade thereafter, his life was a wasteland of darkness and despair. While his peers were graduating from college, buying homes, getting married, having kids, and leading normal lives, Mike was snorting OxyContin, climbing out of cars at gunpoint, and burying his childhood friends. Unable to escape the noose of addiction, he eventually lost the trust and support of everyone who had ever loved him. Alone, with nothing but drugs to keep him company, darkness closed in, and the light inside him--the last flicker of hope--began to dim. His dreams, potential, and future were all being devoured by a relentless addiction too powerful to fight. Despair filled him as he realized he wasn't going to survive. Somehow, he did... HE NOT ONLY SURVIVED, HE THRIVED. Now he's a social media personality with millions of followers, an entrepreneur, marketer, podcaster, YouTuber, and author who hopes to use his voice to shine a light for those whose own lights have grown dim. This is his story.

A hilarious, in-your-face guide to the online universe from the BEAST of the internet, YouTube superstar KSI. It's your boy KSI! And I've got a confession to make. I. AM. A. Tool. Yes, I've committed crimes against the internet: excessively posting selfies, oversharing about my dead nana, spending all day scouring Tinder and suffering FIFA rage. But my therapist tells me that with acceptance comes salvation, so now I'm going to blow the doors off the internet to find the cure. Hold on to your balls while I take down fellow YouTubers, trolls, perve, catfishers, and Nigerian scammers in an all-out assault on the online universe. Also, do you want to know how I became a YouTube kinspin? Back away, no-fo, that title is mine! Jokes . . . I'll show you how to be a baller on YouTube, the best ways to get paid online, and how you can make the internet yours. Prepare to laugh, be horrified, and cry to your mom. This is going to get messy. What did you expect? A book full of blank pages, lame challenges, and really deep lifestyle tips? Do me a favor. This sht is legit!

Imagine this: You're having an amazing family holiday, one where everyone is there and all 18 of you are squeezed into one house. All of sudden it's 4 o'clock in the morning and there's banging and yelling and screaming. The police are in the house pulling people out of bed ... Sofia is like most 12-year-old girls in New Zealand. How is she going to earn enough money for those boots? WHY does she have to give that speech at school? Who is she going to be friends with this year? It comes as a surprise to Sofia and her family when her big brother, Lenny, starts talking about protests, "overstayers", and injustices against Pacific Islanders by the government. Inspired by the Black Panthers in America, a group has formed called the Polynesian Panthers, who encourage immigrant and Indigenous families across New Zealand to stand up for their rights. Soon the whole family becomes involved in the movement. Told through Sofia's diary entries, with illustrations throughout, Dawn Raid is the story of one ordinary girl living in extraordinary times, learning how to stand up and fight.

A compelling portrait of rock's greatest guitarist at the moment of his ascendance, Stone Free is the first book to focus exclusively on the happiest and most productive period of Jimi Hendrix's life. As it begins in the fall of 1966, he's an under-sung, under-accomplished sideman struggling to survive in New York City. Nine months later, he's the toast of Swinging London, a fashion icon, and the brightest star to step off the stage at the Monterey International Pop Festival. This momentum-building, day-by-day account of this extraordinary transformation offers new details into Jimi's personality, relationships, songwriting, guitar innovations, studio sessions, and record releases. It explores the social changes sweeping the U.K., Hendrix's role in the dawning of "flower power," and the prejudice he faced while fronting the Jimi Hendrix Experience. In addition to featuring the voices of Jimi, his bandmates, and other eyewitnesses, Stone Free draws extensively from contemporary accounts published in English- and foreign-language newspapers and music magazines. This celebratory account is a must-read for Hendrix fans.

The Dark Side is a dramatic, riveting, and definitive narrative account of how the United States made self-destructive decisions in the pursuit of terrorists around the world--decisions that not only violated the Constitution, but also hampered the pursuit of Al Qaeda. In spellbinding detail, Jane Mayer relates the impact of these decisions by which key players, namely Vice President Dick Cheney and his powerful, secretive adviser David Addington, exploited September 11 to further a long held agenda to enhance presidential powers to a degree never known in U.S. history, and obliterate Constitutional protections that define the very essence of the American experiment. With a new afterward. One of The New York Times 10 Best Books of the Year National Bestseller National Book Critics Circle Award Finalist A Best Book of the Year: Salon, Slate, The Economist, The Washington Post, Cleveland Plain-Dealer
