Alpha's promise A great read. Characters that are fun and lovable. None are the over the top alphas from some books. It keeps with real life in that nobody has all the answers to every problem or can do everything without help and support from friends and family.

### The Alpha's Promise (The Guardian Pack #1) by Raven Darkwing

Dr. Promise Williams understands the underpinnings of the universe but has never figured out the human beings inhabiting it. Her function is to think—and not feel—until she's touched by a vampire who's nowhere near human. The primal hunger in his eyes awakens feelings in her that defy calculation.
