Additional artwork associated with the Croxall collection of fables is being added from the 1814 book *Aesop's Fables Embellished with One Hundred and Eleven Emblematical Devices* by C. Whittingham. Fables from *The Fables of Aesop, and Others, with Designs on Wood* by Thomas Bewick are being added. These are a series of fables similar to Croxall's in style and sometimes using the same or similar language.

There is a Greek version of the fable but no early Latin version. For this reason it did not begin to appear in printed editions of Aesop's fables until the 16th century, one of the earliest being Bernard Salomon's *Les Fables d'Esop Phrygien, mises en Ryme Francoise* (1547). Versions followed from the Netherlands (in Dutch, 1567) and Flanders (in French, 1578) but none in English before ...

Aesop was a Greek fabulist and storyteller credited with a number of fables now collectively known as Aesop's Fables. Although his existence remains unclear and no writings by him survive, numerous tales credited to him were gathered across the centuries and in many languages in a storytelling tradition that continues to this day. Many of the tales are characterized by animals and inanimate objects that speak, solve problems, and generally have human characteristics. Scattered details of Aesop's
