Being a writer is not just about typing. It's also about surviving the rollercoaster of the creative journey. Self-doubt, fear of failure, the need for validation, perfectionism, writer's block, comparisonitis, overwhelm, and much more. When you're going through these things, it can feel like you're alone. But actually, they are part of the creative process, and every author goes through them too. This book collects the mindset issues that writers experience, that I have been through myself over the last nine years, and that perhaps you will experience at different times on the creative journey. Each small chapter tackles a possible issue and then offers an antidote, so that you can dip in and out over time. It includes excerpts from my own personal journals as well as quotes from well-known writers. I hope it helps you on the road to becoming a successful author.

Fearless author mindset workbook is a simple and easy to action book. If you aren't prepared to use those actionable steps and become someone amazing and allow your fear to control you, then this book isn't for you. If you are struggling to write your book and impact the world or you have written a book but are finding it hard to complete, then this is your chance to transform your writing experience from one of struggle and frustration to joy and action! Imagine that. Having a sense of joy and able to write your book without the frustration and resistance? There is a reason according to the New York Times study that 81% of Americans want to write a book but only 1% do and the percentage of those who write prolifically is even smaller still. It is one of the hardest challenges you will ever face. But if you follow my workbook it need not be! Being an author has changed. You need to write more books, more quickly I can show you how to be prolific without costing you time with your family or losing the sense of total joy you have when writing. It should never feel like a struggle. My name is Christopher Moss I have written seven books. I have published five in six months. I have had bestsellers; I have sold my books all over the world. I am planning on writing ten this year. My mission is to help 500,000 people find their purpose and have a better more fulfilling life. Is one of those people you? My first two books felt like shovelling treacle up a hill. I know what it is like to go through all the pain and frustration of writing a book. I thought I had cracked my anxiety, but it was back with a vengeance everything that could go wrong did. It took my two years to publish two books. But I learnt of a system that has worked and will inspire you to be the writer you always wanted. Going from struggling, full of anxiety and anguish to total joy! I have gone through every conceivable struggle and learnt how to overcome it so you don't have to. The fearless author mindset workbook. Is not just a workbook it's a course rolled into one. I believe in this process. You will have all the tools and skills for your swag bag to be armed and ready for any challenge that comes your way. Find your inner joy, find the system that will work for you. Be a fearless author!

The updated edition of the bestselling book that has changed millions of lives with its insights into the growth mindset “ Through clever research studies and engaging writing, Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life. ” —Bill Gates, GatesNotes After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. Mindset reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own.

Do you want to successfully self-publish in ebook, print or audiobook formats? There are thousands of new books being published every day, but many self-published books quickly sink to the bottom of the pile. Many authors are frustrated because there are so many options for self-publishing, and they don't know which one to choose or what will be best for their book. Others spend thousands of dollars to publish and end up broken-hearted with the result. But it doesn't have to be this way. I've spent the last ten years self-publishing bestselling fiction and non-fiction books and in 2011, I left my day job to become a full-time author-entrepreneur. I've made lots of mistakes along the way, but through the process of self-publishing 27 books, I've learned the most effective way to publish and market your books. In this book, I'll share everything with you. The book includes: - What you need to know before you self-publish - Why self-publishing an ebook is a good idea - How to format an ebook - Exclusivity and going direct - How to self-publish an ebook - Why self-publish a print book - Print-on-demand will change your life - What you need to know before you print - How to self-publish a print book - What to do if you want help with the publishing process - How to self-publish an audiobook - After self-publishing - How much does it cost to self-publish? - How do you get paid when you self-publish? - Book marketing principles - How to market fiction - How to market non-fiction Plus, links to more useful resources.
