way for your brain to  
live on in a game online  
as the asteroid comes to  
destroy the world. But  
in the game, you will  
feel everything. The  
game can be deadly.

I can certainly add,  
Viridian Gate online:  
Cataclysm, into one of

the deciding factors.

This book is really well written, the gamers will find familiar mechanics and a great transition from IRL to in game, and fantasy fans are rewarded with great world building, deep characters, and an engrossing plot. For me this book ticks all the boxes for being a good read. It's one of those
